

STUDIO TRAFFIC 250 | Vinyl

Residential
& Commercial

The Traffic 250 vinyl collection offers a range of timeless wood and mineral patterns that will add warmth and comfort to interiors. Ideal for residential and commercial medium traffic areas. Traffic 250 is treated with Tarkett's TopClean XP surface protection for extreme durability and cost-effective maintenance, requiring no wax or polish. The phthalate free technology provides a better indoor air quality assisting the health and well-being of the building occupants.
